

MISSION

It's ALL about learning to SERVE!

Tournament is held to help **Mandan Braves Volleyball** players learn that by working as a team, you can solve problems facing your community and help those in need.

 Over 50% of net proceeds will be donated to Trey Mildenberger, a senior at Mandan High School. Trey was seriously injured in a rollover accident this past March and suffered a severe spinal cord injury. He spent 3 months in the hospital in Fargo - thankfully he is back home in Mandan.

Join us in raising money to help Trey and his family with his medical bills and accessibility as he recovers.
